

Join the conversation: Affordable housing in Humboldt

Tough Housing Questions:

- What types of housing options are needed in Humboldt?
- What are housing options and resources available to seniors?
- Younger families?
- Is there a practical solution to affordable housing?
- What about rental properties?
- How can Humboldt develop and maintain a range of housing options?
- What type of housing will encourage growth in Humboldt?
- What are the opportunities for recruitment of new business?
- What are the opportunities for the development of existing business?
- And what impact would business growth have on housing?
- And ?
