REBUILDING THE SQUARE SETS MISSION AND GOALS

At its Vision Retreat held in May, the Rebuilding the Public Square Steering Committee was presented with a mission and goals to help Humboldt build on its assets. The mission statement "A community of faith built on values where opportunities flourish. Come, live well and love it" included the following goals;

- 1. Develop new housing.
- 2. Identify volunteers for Mission Humboldt projects.
- 3. Improve community activities.
- 4. Involve youth in government.
- 5. Start shadowing programs for high school students.

Local citizen volunteers will now begin leadership training and learn how to turn the goals into reality. For more information, contact City Hall or go to www.humboldtkansas.org.
